

Office of Administrative Services
FOIA Requester Service Center

August 9, 2016

Mr. Adam Klasfeld
Courthouse News
500 Pearl Street, Room 480
New York, NY 10007

Dear Mr. Klasfeld:

This is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request (GSA-2016-000011), submitted October 5, 2015, in which you requested, "any records related to budget allocations related to the GSA's lease of office space at One World Trade Center."

Please find enclosed records responsive to your request.

Enclosed is the information you requested. Certain information, such move coordination screenshot is withheld pursuant to 5 U.S.C. § 552(b)(4), as this is commercial or financial information that is privileged or confidential. Also, under FOIA Exemption 5(5 U.S.C. § 552(b)(5)) statute protects "inter-agency or intra-agency memorandums, emails or letters which would not be available by law to a party other than an agency in litigation with the agency." Finally, employee mobile and cell telephone numbers have been withheld pursuant to 5 U.S.C. § 552 (b)(6), as this could constitute a clearly unwarranted invasion of personal privacy.

This constitutes a partial denial under FOIA. You may appeal this decision to the U.S. General Services Administration no later than one hundred and twenty (120) days from receipt of this decision by writing to the following address:

U.S. General Services Administration
FOIA Requester Service Center (H1F)
1800 F Street, NW, Room 7308
Washington, DC 20405

Your appeal should contain a brief statement of the reasons why you believe GSA should have responsive records. Enclose a copy of your initial request and this letter. Both the appeal letter and the envelope should be marked prominently, "Freedom of Information Act Appeal."

This completes action on your request. Should you have any press related questions, please do not hesitate to contact Ms. Ashley Nash-Hahn, GSA Press Secretary, by email at media@gsa.gov.

Sincerely,

Travis Lewis

FOIA Program Manager
